

Hello Pineview Families,

I am absolutely delighted to be your new principal at Pineview! Over the past couple of weeks I have been getting to know your children and learning about this wonderful community of students, parents and staff. Throughout my entire career with Halton, I have always worked in the north and appreciate the kindness and support of Halton Hills. I bring to you 17 years as an administrator, (4 of those as the system principal for Early Years), and 9 years as an elementary teacher. I have an open door policy and truly value open communication with parents and guardians. You know your children best!

I have very recently (Friday September 15th) become a grandmother for the very first time. My new little granddaughter, Rey, lives in Calgary with her parents. I am going out to meet her next week. Mrs. Lidia Marchant and Mr. Rick Nodwell will be our guest principals. With the exception of our new students this year, your children will know these two folks as they covered for Mrs. McCarter last year. I will have plenty of pictures to share when I return.

Regards,  
Wendy Spence
